Dropcam provides the easiest way to check in on what you care about and capture life's moments. With Dropcam HD, effortlessly use video to keep an eye on your home, kids, pets, and everything else that matters from your computer, tablet, or smartphone.

- ⦿ **Easy 60-second setup.** Plug it in. Select your Wi-Fi network. Personalize it. Dropcam HD is online in three, automated, pain-free steps.
- ⦿ **Watch 24/7.** AC-powered Dropcam HD gives you reliable, quality video at all times. Never worry about changing the batteries.
- ⦿ **Email and push alerts.** Dropcam notifies you of motion and loud noises when you're busy and on the go.
- ⦿ **Night vision.** Reasons to keep an eye on what you care about don't stop when the sun goes down. Turns on automatically.
- ⦿ **Talk back.** Respond to what you're watching as it happens with two-way audio.
- ⦿ **Digital zoom.** Pick which part of the room to focus on.
- ⦿ **Safe and secure.** Your video is encrypted with bank-level security. No one can see your video without your permission, not even us.
- ⦿ **Versatile Placement.** Easily mount Dropcam HD on a wall, set it on a desk, or pop out the lens to be more discreet.
- ⦿ **Sleek design.** Muted silver and black and about the size of a deck of cards, Dropcam HD fits into your home and style.
- ⦿ **\$149.** Available at www.dropcam.com and Amazon.
